R. L. GLASCOCK & CO.,

OVERCOATS
For the Young and Old, the
Rich and Poor, at Prices
to Suit Your Purse.

The above caption is no more startling than true and we believe every reader of the Sentinel and in fact every man, woman and child in Holt county is cognizant of the strenuous efforts we are making to arrest the attention of fall and winter buyers, and the enormous crowds that thronged our store on circus day and the immense amount of goods sold has convinced us that the people have at last discovered that the place for bargains is be-

hind our counters. The fact is "we are in it over head and heels."

If you want to see happy faces and a rustling throng of pleased purchasers from the mere child to the gray-haired

sire just drop into our store most any day and you'll find 'em. Well

you know that's just what we've been telling you all along. We

are determined to be headquarters, and your liberal patronage

anything you may require.

looks like you are with us—Many thanks. Of course you saw

Tuesday's snow. Did it not suggest fall and winter goods? If it

did not LET US SUGGEST that we have the goods that laugh at

winter's cold blasts and driving snows, and we urgently ask you

to visit us and look over our stock of BRY GOODS, BOOTS,

SHOES, MEN'S AND BOYS SUITS, HATS, CAPS, and in fact most

anything you may require.
